2016 State of the City Address

Each year, the Chamber of Commerce hosts the State of the City Address, which was held on Nov. 10th at the DoubleTree Hotel in Brisbane and attended by residents as well as members of the business community. Taking place just two days after the U.S. Presidential Election, Mayor Lentz started off with the notion of what change means. It could mean going to something new, or something different, or going back to something that used to be. Being in Brisbane for the past 27 years, he has seen a lot of change, but has come to know that in Brisbane, "We do change because we want to make our town better." And there are things that haven't changed since the day he arrived: "having a safe community, a community that takes care of each other, that connectivity to nature, the great services, having responsible government—those things still exist today and we're thriving in those areas, and many others." He then went into detail on projects and events that show where we've been and where we're going.

An example community project that shows our collaborative effort is the new Brisbane Skatepark, which opened this past summer. It started as a grassroots effort with students coming to a Council Meeting to encourage Council's support of building a new skatepark. It gained momentum in the community, with t-shirt sales and car show proceeds going

towards the project, along with families, individuals and businesses reserving bricks in the Commit-to-a-Brick campaign that were placed at the entrance to the Skatepark once construction wrapped up. Others made in-kind donations with the services their business offered and the city received a grant from the Tony Hawk Foundation. All of this offset the total Skatepark construction costs by nearly 20%, making it a truly collaborative and community effort.

Mayor Lentz also highlighted the plans for the new Brisbane Library, something many in the community have wanted for a very long time. This will be a fantastic addition to our downtown, which will be 2.5 times the size of the current library. The plans include a maker space site, separate teen and children areas, breakrooms, a community space, a historic archive area, an open outside courtyard, just to name a few items. Not only will the new library have amazing design qualities, it will be built very sustainably. The plans include a rainwater cistern, solar panels, and be zero net emissions/carbon-neutral. Just as we always take on projects with a very strong emphasis on community engagement, the same will be done as we move forward to determine the use(s) of the old library site.

2016 State of the City Address (cont.)

In considering the City's financial state, more money has been brought in than has been spent, which then get placed into reserves. Specifically, the City's reserves have been increased by nearly \$5 million in 4 years (2012-2015). These reserves are then able to fund programs for Teens, such as the \$50,000 that is applied to help fund the Afterschool Program at Lipman, where it's been observed that more Teens are involved in afterschool programs than ever before. We've also been able to install new handrails on stairways in town that aid in Brisbane's walkability and safety. The City is also caught up on deferred maintenance at the Pool, Storm Drain System, trails and paths. Funds have also been set aside for repair and maintenance of infrastructure and to reduce long-term liabilities.

Upcoming projects include the Parkside Precise Plan, where locations across the street from the Community Park and near amenities were identified as sites for future housing, including affordable housing. The hope is for all Brisbane residents, from the younger generation(s) to seniors, to have the ability to age in place and to live out the rest of their lives in dignity.

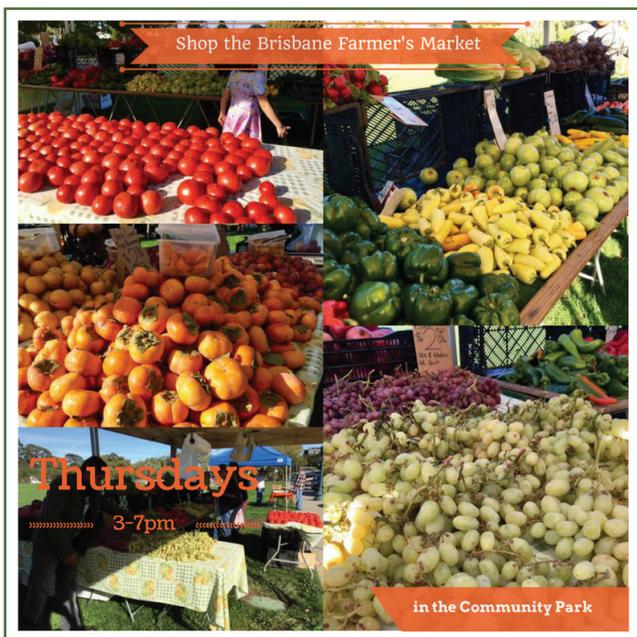

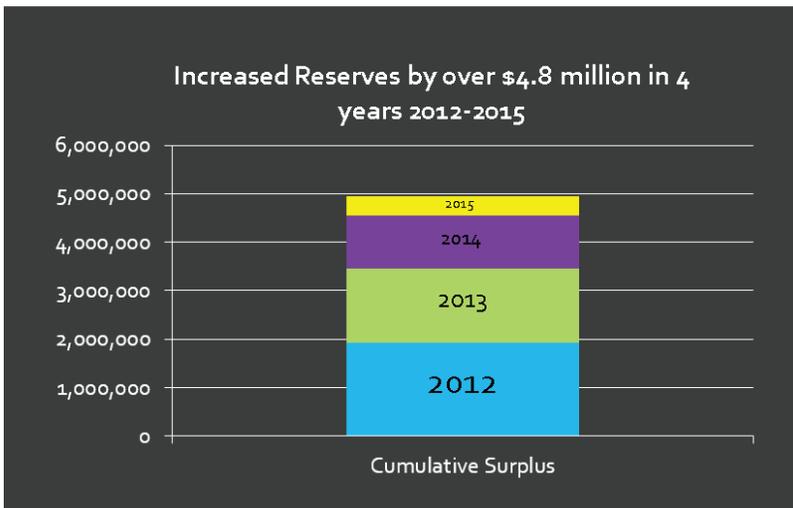

Sierra Point is starting to get a lot of traction with building going on in San Francisco and down the Peninsula to Silicon Valley. Before everything is built out, one of the things the City wants to do is to create a great public space. Therefore, the City is working with OPUS, a property owner out at Sierra Point, to potentially get back a piece of property so that one day this public space could be created into a park.

The Mayor concluded his remarks with talking about the Baylands Project and the Baylands Sustainability Framework. The public process for the Baylands Project started in 2006 and where the Council is embarking on its deliberations and reviewing the project and Environmental Impact Report (EIR) on a monthly basis through Spring 2017. In 2017, the Council will decide if any changes are needed to be made to the General Plan. Ultimately, the Council has expressed that the final outcome of the Baylands development will be decided by Brisbane voters.

The City of Brisbane has been recognized by the Institute for Local Government for its holistic view at tackling climate change and reducing its carbon footprint. Stay tuned for community workshops that will be held in early 2017 to help the community become more aware of the 10 principles found in the Sustainability Framework that will guide any development that occurs at the Baylands.

Council Adopts Smoking Ordinance for Multi-Unit Residences

On November 3rd, the Brisbane City Council voted to adopt Ordinance No. 611, which prohibits smoking of tobacco products, including electronic cigarettes, in multi-unit residences. This pertains to the enclosed and unenclosed common areas of a multi-unit residence, unless it is a designated smoking area. Brisbane will join about 20 other cities or county unincorporated areas in Northern California requiring multi-unit housing to be smoke-free. **This ordinance does not apply to those with a medical marijuana card.** Enforcement will be deferred six months, or until the first part of June, in order for property owners and tenants to become aware of the new regulations and take any necessary measures to comply with the ordinance. If there are complaints, they should be directed to the City's Code Enforcement Officer at (415) 508-2172. The Code Enforcement Officer will work with the County in educating the offender before enforcing the ordinance.

Skatepark Rules

Since its grand reopening in June, the Skatepark has seen significant use by people of all ages. The City is beginning the process of educating its users on the importance of wearing proper protective equipment. School Resource Officer, Robert Malone, and Recreation Coordinator, Ricardo Monroy, will be at the Skatepark to remind users of the rules and the need to wear protective gear. We do have signs at the Park displaying the rules and for those who are not frequent users of the Park, we have included them below.

In addition, the City has teamed up with Atlas Skateboarding to offer classes for new skateboarders and those that want to

advance their skills. These Saturday morning classes ensure that skateboarders start off on the right foot and encourage proper technique and safety. We will continue to work with the skating community to ensure that it is a safe and welcoming environment for all users.

The Skatepark has not yet been officially named so we are looking for your help in the form of suggestions which reflect our community and environment. Please submit your suggestion to Stuart Schillinger at schillinger@ci.brisbane.ca.us.

It is important to remember that skateboarding and skating are hazardous recreational activities. Use of this facility may result in broken bones, paralysis, other serious injury, or even death. Use of this facility is at your own risk. The City of Brisbane does not assume any responsibility for injuries.

- The use of skateboards and other non-motorized recreational devices including bicycles and scooters is permitted if a helmet, elbow pads and knee pads are worn.
- Parental supervision is strongly recommended for all youth under 12 years of age.
- Glass, animals, alcoholic beverages, tobacco, drugs and drug paraphernalia are NOT permitted on site at any time.

- We politely ask that participants demonstrate respect for one another and the park by using appropriate language and disposing of garbage.
- Organized events or sales of any kind are not allowed without prior written permission by the Parks & Recreation Department.
- Please report any damages or concerns to the Parks & Recreation Department
- Any person failing to comply with these requirements is subject to citation or expulsion from the park.

NOTE: Public restrooms are located at the far end of the Community Park.

Brisbane Municipal Code, Chapter 8.48

In Loving Memory of Larold "Larry" Pruett

7/11/1948 – 2/27/2016

Many in town knew Larry, as he was a longtime Lion and served his community faithfully, but the younger generation most likely knew him better as Santa Claus. Larry played Santa at the City's Annual Festival of Lights Celebration, and of course, on Christmas Day where Santa's truck visited families all throughout Brisbane, making over 30 stops to pass out treats to the children who would run outside to greet him when they heard the fire truck's siren. Larry's presence will be especially missed as Christmastime approaches, but the Lions will ensure his spirit continues and that Christmas cheer continues to be spread with Santa's visit on Christmas Day!

Check the City's website, www.brisbaneca.org, for a map and approximate times of Santa's route.

Brisbane Trustee Position Open

for the County's Mosquito & Vector Control District

The City of Brisbane is seeking a resident to represent the city on the Board of Trustees for the San Mateo County Mosquito and Vector Control District. As a member of our Board of Trustees, you would act as a liaison to the City and would assist the District in making decisions for the citizens of our district. Brisbane resident Robert Maynard was Brisbane's Trustee for over 12 years, and just recently stepped down. He provided the City Council with regular program information and was a highly valuable asset to both the City and the Board of Trustees.

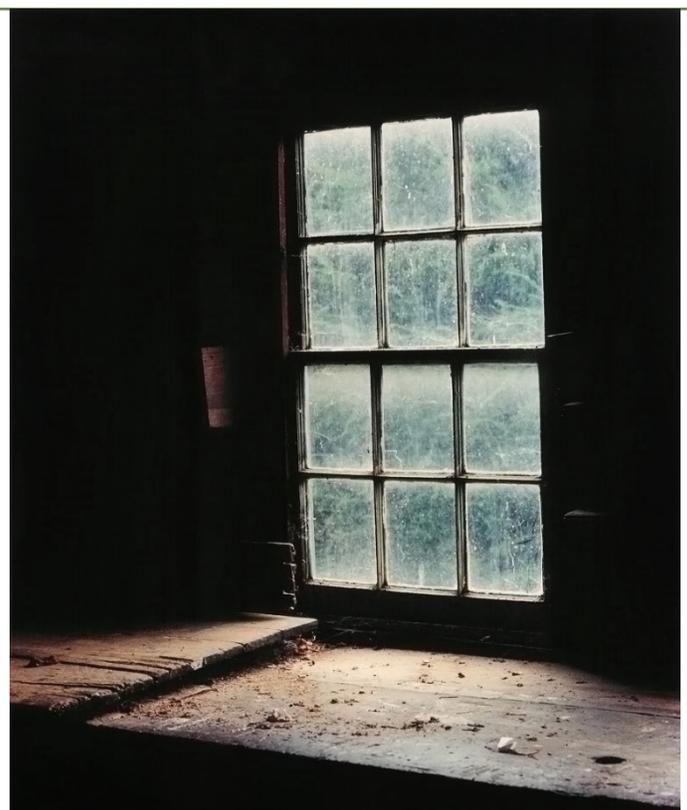

As a member of our Board of Trustees, you can be appointed to a two-year or four-year term. District board meetings are once a month and meet on the second Wednesday each month from 6pm to approximately 8pm. They do not meet in August. Go to www.brisbaneca.org/brisbane-trustee-open-position to read the full open position announcement. If you would like to apply to serve on the Mosquito & Control District's Board of Trustees, please contact City of Brisbane Interim City Clerk Ingrid Padilla at (415) 509-2113 or ipadilla@ci.brisbane.ca.us. The deadline to apply is Friday, December 16, 2016 at 1pm.

Artist Reception at City Hall

December 14, 6:00pm – 8:00pm

Steve Kessler is a fine art photographer in Brisbane, specializing in images of abandoned architecture, historic sites, the female figure and table top studio images. Steve has exhibited at several bay area cafes and two galleries, plus, has had one image published nationally. He is a retired software developer and lives with his wife in the View Point community. You can find his work on display now at City Hall in the Large Conference Room, which will be the location of an Artist Reception on Wednesday, December 14th from 6-8pm. The public is invited to attend! See more of Steve's work that evening or on his website, <http://skessler.zenfolio.com>.

Brisbane Preschool Program ages 3-5

The Brisbane Parks & Recreation Department offers a developmentally appropriate program to encourage, support, and develop the whole child. Preschoolers days are balanced with a variety of enrichment activities including art, imaginative play, recreation, music, stories, and more. We aspire to enhance self-esteem, encourage independence, foster friendships, and provide a nurturing introduction to school. Due to the extreme popularity of the Preschool program, the Parks & Recreation department generally holds a lottery for the open spaces in the program. Classes for the Fall session of Preschool will start on September 5th, 2017. All students participating in the Preschool program must be a minimum of three years old as of September 1st, 2017 and fully potty trained at the start of the program (no exceptions). SPLASH SQUAD!

NEW!

Ages 6 months- 5 years

Get ready to Splish & Splash! This drop in program is designed to introduce your infant, toddler, or preschooler to fun with water. Taking place in our kiddie pool, Splash Squad! will allow parents to familiarize their little ones with the pool and start them down the path to swimming! Children must be accompanied by an adult, in the water, at all times. Swim diapers, plastic covers, and suits are required for all children who are not yet potty trained. This unstructured class will engage kids through free play with water toys, music, and plenty of fun!

DAYS	TIME	DATES	FEES
Tuesdays & Thursdays	1:00pm-1:30pm	Ongoing starting 1/10	Regular pool entrance fees apply.

PRIVATE & SEMI-PRIVATE LESSONS

Designed to provide individual instruction from basic skills to improving technique. These 30 minute classes can be arranged with our aquatics staff around your personal schedule. Please contact the pool directly for more information. Dates and times are arranged with Aquatics Staff. NOTE: Semi-Private class fees are per person.

PIRANHA SWIM CLUB

Prerequisite: Completion of Shark swim level

Piranhas is designed for stroke efficiency, and endurance. Students will learn how to make all four competitive strokes (butterfly, backstroke, breaststroke, freestyle) as streamlined as possible. During this session, students will learn drills that enhance the understanding of how each stroke works. Drills break down the stroke step by step and help the swimmer feel each mechanical part of the stroke, which in turn helps make the stroke smooth and efficient. They will also learn legal flip turns and dives. To enhance endurance, students will also be doing interval training utilizing the pace clock.

Interim SAFE PEDESTRIAN ROUTES TO SCHOOLS

Disclaimer: Information displayed here is for reference

Walkability: An Important Part of Brisbane

Why Safe Pedestrian Routes Were Formed

Did you know that walking is one of the most effective ways to a healthier lifestyle? And with Brisbane's size, it's easy to get from point A to point B, so long as there is a safe route to do so. There are also important environmental and social benefits to walking for short trips: it reduces one's carbon footprint as well as local vehicular traffic.

In December 2014, the City Council adopted the Safe Pedestrian Routes to Schools Plan, which the Complete Streets Safety Committee recommended to them. The Plan came together after a year of in-depth study by the committee, who worked closely with city staff from the Public Works and Police Departments.

Three components were evaluated while developing the safe pedestrian routes:

- Pedestrian safety on Brisbane streets, particularly on routes to local schools
- Vehicular traffic near Brisbane Elementary (BES) and Lipman Middle School
- Students traveling to and from schools outside of Brisbane

While the intent was to improve safety for kids, the Committee recognized the benefits of safe pedestrian routes for all residents. Consider how the visually-impaired, disabled, seniors, and parents with strollers all depend on safe passage. The map above identifies sidewalks included in the route. The safest possible routes were chosen, with the preservation of parking a highly important consideration.

Improvements on these chosen routes will be implemented in the year to come, so it is important that community members make a concerted effort to comply with the Plan's designated safe routes. Start by looking at the Interim Safe Pedestrian Routes to Schools Map, and determine if your street is on the route. Secondly, be conscious of blocking sidewalks that will be used by families and children on these routes to schools. Lastly, obey speed limits and traffic signage when driving in town.

Stay tuned for physical infrastructure improvements to make your walk safer, and signage marking Brisbane's Safe Pedestrian Routes.

Veterans' Flag-Raising Event

Recap from Thursday, Nov. 10th

The morning before Veterans' Day, over 40 people gathered at the Community Park Gazebo to honor those who selflessly served our country and risked their lives for the freedom we enjoy today. Thank you to all who attended our 2nd Annual Flag-Raising Event, where Jeri Sulley and Kathy Wall led the crowd in singing "The Star Spangled Banner" and where many in attendance got to meet Charles E. (Chuck) Blunt, who served as a Sergeant in World War II. Chuck turned 93 this year and he and his wife Helen celebrated 61 years of marriage! Next year, we hope to see even more Veterans who live in town at this special event.
