Congratulations to the Brisbane Strikers, AYSO 14U boys soccer team, on winning the Area 2B Tournament (Brisbane, San Bruno, Millbrae, Pacifica, Daly City) and also winning the Section 2 Tournament (Northern California, Northern Nevada, Oregon, Washington) last month! The Brisbane Strikers go on to play at the Western States Championship in March in Arizona. The same team went to the Championships two years ago and are excited to return.

Thank you to all of the Brisbane coaches and referees for putting in the extra time and energy to give the kids an opportunity to have a great experience. Special thanks goes to Jessica Tiatia for her leadership, guidance, and dedication as AYSO 1344 President. Keep a lookout for fundraisers to support the Brisbane Strikers as they prepare to travel to the Tournament! If you would like to support them in their travels and donate to AYSO 1344, please contact Barb Bouchard at brisbaneayso@gmail.com. Thank you in advance for your support of Brisbane’s youth and sharing in the Strikers’ excitement as they go on to play at the Western States Championship!
How to Get Information from the City

There are many issues of importance that will be coming before the Council in 2020, such as the Baylands review process, cannabis, short-term rentals, capital improvement projects, et cetera, and we want you to have the latest information. At any time you find yourself seeking further information, some available avenues are:

**Visiting the City's website** - [www.brisbaneca.org](http://www.brisbaneca.org) (which itself will be getting a revised look in 2020)

**Watching public meeting videos on the City's YouTube channel** – [www.youtube.com/brisbaneca](http://www.youtube.com/brisbaneca) (public meeting videos can be viewed live and on-demand -- you have the option to rewind during live meetings if you happen to step out of the room and miss something)

**Reaching out to the appropriate city staff member and of course your elected City Council members** – [www.brisbaneca.org/content/city-council](http://www.brisbaneca.org/content/city-council)

**Connecting with us on our various social media accounts**, where our newest addition is the Parks and Recreation Instagram account – [www.instagram.com/brisbaneca_rec](http://www.instagram.com/brisbaneca_rec). 2020 Artists’ Evening of Sharing

Each year, the City of Brisbane invites local artists to share their work with the Brisbane public at the Artists' Evening of Sharing event, held at Mission Blue Center. At this annual event, Brisbane artists showcase music, theater, dance, images of visual artwork, photography, writing, and film. Honoring Brisbane's art advocates allows the community to understand the rich diversity and depth of talent that surrounds it and stimulates an exchange of ideas about art. This year's event will take place on Saturday, February 8th, 2020. Admission for the Artists' Evening of Sharing is free, with a complimentary reception at intermission. If you haven't already planned to do so, make sure you come celebrate Brisbane's creative spirit!

For those interested in showcasing their art at the event:

Artists living or working in Brisbane are invited to present a five minute slide show, video or performance of music, dance, theatre or spoken word. To apply, please send your name, street address, cell phone number, email address, a short description of your presentation, all technical requests, and a bio of 150 words or less, to Beth Grossman at beth@bethgrossman.com.

You must be available for a rehearsal on Friday evening, February 7th, 2020 (at assigned 20 minute appointments) and to present in-person on Saturday, February 8th from 7:30-10:30 pm. The deadline to enter is January 5th, 2020. Artists will be accepted in order of receipt of completed email applications, with preference given to new presenters. Artists will be notified of their confirmed participation by January 8th, 2020. Please forward this information to any new artists in town.
Congratulations to Councilmember Terry O’Connell (center) for being sworn in as Brisbane’s new Mayor at the City Council Reorganization Meeting of December 12, 2012. She is joined by fellow Councilmembers Conway, Davis, Mayor Pro Tem Cunningham, and Councilmember Lentz.

New State Housing Laws

More than 200 housing bills were introduced by state legislators in 2019. On October 9, 2019, Governor Gavin Newsom signed into law a housing bill package that included approximately twenty bills becoming effective January 1, 2020. Some bills that may interest Brisbane residents are highlighted below.

**Assembly Bill (AB) 1482: Limits on Rent Increases and Evictions.** For tenants who have occupied a housing unit for at least 12 months (with some exceptions), AB 1482 restricts rents from being increased annually more than 5% plus inflation, capped at no more than 10%, for the next 10 years. The law also requires landlords to demonstrate “just cause” prior to evicting such tenants. If tenants are evicted for “no fault” reasons described in the law, such as owner move-ins or renovations, the landlord must provide a relocation payment equal to one month’s rent.

AB 1482 also establishes a maximum of two rent increases in any 12-month period (the total of which cannot exceed the rent cap). If any rent increase between March 15, 2019 and January 1, 2020 was above the allowable rent cap, the law requires the rent to be decreased on January 1, 2020 to the previous rent amount plus the maximum allowable rent increase under the cap.

These new regulations do not apply to all types of housing. Some of the housing types that are not covered by the law include any housing unit built less than 15 years ago (on a rolling basis), single-family homes or condominiums that are not owned by a corporation, an owner-occupied duplex, mobile homes, or single-family owner-occupied homes (including accessory dwelling units).

The City of Brisbane does not implement, administer, or enforce compliance with AB 1482. If you are a landlord or a tenant and you want to verify whether your property or residence is subject to AB 1482, you should contact an attorney. Project Sentinel ([www.housing.org](http://www.housing.org)) provides tenant-landlord counseling and mediation in the Peninsula and can be contacted at (408) 720-9888 (please note: Project Sentinel does not provide legal services or legal advice).

**Senate Bill (SB) 329: Section 8 Voucher Anti-Discrimination.** This bill prohibits landlords from discriminating against tenants paying for housing with public assistance, such as Section 8 vouchers.

Brisbane Leads on Environmental Policies

On December 12, the City Council passed two ordinances addressing energy use in buildings that will help significantly reduce the city’s environmental footprint. The first creates a new Building Efficiency Program ([brisbaneca.org/building-efficiency-program](https://brisbaneca.org/building-efficiency-program)) geared towards existing commercial, industrial and for-rent multi-family buildings over 10,000 square feet. The second ordinance, known as a "Reach Code," expands building code requirements for new buildings that go into effect with the three-year state code cycle on January 1. Existing local solar and fire prevention requirements were extended, new electric vehicle charging infrastructure requirements were added, and provisions to electrify certain buildings and appliances will go into effect a year later. Stay tuned for more information on these programs!

EVERYONE COUNTS
CENSUS DAY
APRIL 1, 2020

WHAT YOU NEED TO KNOW

Everyone - regardless of age, immigration status, or criminal history - needs to be counted.

The census count is how we make sure everyone gets a voice in government and communities get your fair share of funding for programs and services.

An undercount of our population could affect services to families and children, planning for public schools, transportation, or hospitals.

By April 1, 2020 you will be mailed instructions about completing the census form either online, on paper, or over the phone.

HELP MAKE A DIFFERENCE

Spread the word about the importance of participating in Census 2020.

Train to be a Census Ambassador in your community (program starts late Fall-2019)

Have open conversations with others and help calm fears, anxiety, or address misinformation.

View available resources on our website to distribute at neighborhood activities, block parties, or local farmers markets.

Pledge to participate in Census 2020 and Stand Up to be Counted!
