

City of Brisbane

Agenda Report

TO: Honorable Mayor and City Council

FROM: Karen Kinser, Deputy Director of Public Works

VIA: Randy Breault, Director of Public Works/City Engineer via Clayton Holstine, City Manager

SUBJECT: Construction Contract for 2016 Cold-in-Place Recycling Project (No. 9037)

DATE: November 3, 2016

City Council Goals: To maintain and improve infrastructure. (3)

Purpose: Provide preventative maintenance and repair to various streets in Brisbane.

Recommendation: Award the construction contract for the 2016 Cold-in-Place Recycling Project, on Bayshore Blvd. from 650' south of Old County Rd. to the southern city limits, to Interstate Grading and Paving, Inc. in the amount of \$ 848,740 and authorize the Mayor to sign the Agreement on behalf of the City.

Background: The City received the following bids on October 6, 2016.

Interstate Grading and Paving, Inc.	\$ 848,740.00
Graniterock	\$ 895,750.00
MCK Services	\$ 963,980.00

Staff reviewed the apparent low bid and determined that the proposal was responsive and the bidder was responsible. The low bid is within 3% of the engineer's estimate of \$ 826,345 and is below the budgeted amount for construction. The contractor anticipates completing this work in the spring.

Fiscal Impact:

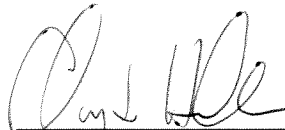

One hundred percent of funds needed are available for this project in FY16-17 CIP Fund 9037.
