Greetings City of Stars Residents,

The second annual **Star City Music Festival** was an astronomical success, and we're thrilled to have the third returning to our gorgeous **Community Park on August 17th!** It's going to be a grand summertime finale designed to connect the magical mountainside oasis with its neighbors in Daly City, San Bruno, South SF, and the entire Bay Area.

Headliners the **Stone Foxes** are simply one of San Francisco's best and most celebrated rock and roll bands. The **Dead Winter Carpenters** kick out Americana jams, while **Diggin Dirt** will head down from Humboldt to dish up festive NorCal funk. We've also got guitar virtuoso **Eric McFadden** (P-Funk, the Animals), and the **Star City Allstars** led by **Jimmy Leslie** (*Guitar Player Magazine*, *Guitarfish Fest*) and **Mikel Ross** (*Lucky Recording Company*) will kick-start the afternoon with a variety of styles. It all adds up to an incredibly diverse day of music in the park.

Artists perform on an impressive transformer-truck stage stacked with a massive P.A. provided by production and presentation experts **PSAV**. San Bruno Mountain provides a dramatic backdrop, and the event supports **San Bruno Mountain Watch** to help ensure preservation of the precious nature reserve that sits atop the mountain like a crown jewel.

Food trucks serve diverse delectables at Star City Fest, and the **Lions Club** will purvey festival favorites to benefit their cause of civic service. Several bars serve adult beverages including craft beers by South SF's **47 Hills Brewing Company**, plus margaritas and more from **Pacifica's Longboard Margarita Bar**. **Caliva**—California's premier brand for cannabis home delivery—will be onsite with information and swag. The gazebo will be filled with cool vendors such as **McDermott Guitars** and **Mr. California**.

Remember to bring the whole family—**parking is free, and so is admission for and kids under ten**. They can go crazy on the **spacious playground and create custom tie-dyed commemorative T-shirts**. Another great reason to head for our huge hill is to run the **Star City San Bruno Mountain Half Marathon** taking place on the morning of the Star City Music Festival. Paid admission to the run gets you into the festival as well. Info on the run is at www.starcityhalfmarathon.com. See you on 8/17/19 in Brisbane, California, where Everybody is a Star!
