Argument in Favor of Measure U

The cost of providing City services continues to escalate, and funds to sustain those services aren't keeping up with the increases.

Those City services are priorities such as police patrols, crime prevention, fire prevention, wildfire protection, pothole and street repairs, maintaining our parks and many facilities. These are basic needs that require a reliable source for ongoing funding.

City services also include programs we've come to depend on and enjoy, that provide support for our seniors, kids, activities, and community events.

The bottom line is that we're faced with raising Brisbane's revenues or decreasing programs.

Measure U is a proposed transaction, sales, and use tax to ensure City services in Brisbane, now, and into the future. This proposed half-cent tax could generate almost 2 million dollars a year; vital money that will go right back into supporting our community.

Voting YES on Measure U will simply bring our sales tax in line with other San Mateo County Cities such as South San Francisco, Daly City, and San Bruno.

Please vote YES on Measure U!
