NEW BUSINESS

I. City Manager Salary Adjustment and Contract Modification

(The Council will consider Adoption of Resolution Approving the Third Amendment to the City Manager's Employment Agreement)

Mayor Mackin reported that Council will consider adopting the Resolution confirming a revised Pay Schedule for the City Manager, approving a related third amendment to the City Manager's Employment Agreement, and authorizing the Mayor to sign the third amendment.

The Resolution provides for three changes to the City Manager's Employment Agreement. In accordance with Government Code Section 54953(c)(3), the three changes to the City Manager's salary and benefits would be:

- To increase the City Manager's biweekly salary to \$11,040 as of the first full pay period of April 2022;
- To extend the City Manager's Term in office to April 30, 2023; and
- To provide that the City Manager shall be credited with Employee shall also be credited with 80 hours of administrative leave in August 2022 but such administrative leave must be used by April 30, 2023 or it will be lost."

After no public comment, CM Davis made a motion, seconded by CM Lentz, to Resolution confirming a revised Pay Schedule for the City Manager, approving a related third amendment to the City Manager's Employment Agreement, and authorizing the Mayor to sign the third amendment. The motion was carried unanimously by all present.

J. Consider Adoption of Resolution to Amend the Master Pay Schedule

(The purpose of this new resolution is to update the master pay schedule to reflect the City Manager's new hourly rate)

Mayor Mackin reported that Item J calls on the Council to consider adopting a resolution updating the City's Master Pay Schedule to reflect the City Manager's new hourly rate given the Council's approval of the resolution confirming a revised Pay Schedule for the City Manager under Item I.

State law and regulation, as well as CalPERS guidance, require that the City post a Master Pay Schedule that accurately reflects all of the City's pay schedules in a single document.

Given the City Council's approval of an amendment to the City Manager's Employment Agreement under Item I, the City Council must therefore act to amend the City's Master Pay Schedule to bring it into conformance with the City Manager's revised compensation.

Specifically, the Council must amend the schedule to reflect the City Manager's new compensation as:

- Monthly – \$23,920
- Biweekly – \$11,040

- Hourly - \$138

After no public comment, CM Cunningham made a motion, seconded by CM Lentz, to adopt a resolution revising the Master Pay Schedule. The motion was carried unanimously by all present.

Ayes: Councilmembers Cunningham, Davis, Lentz, O'Connell and Mayor Mackin

K. Plan to Improve Parking Issues in Central Brisbane

(The purpose of this item is to receive Council feedback on a proposed plan to improve street parking availability in Central Brisbane)

Deputy Director of Public Works Kinser reported that it is being recommended for the City Council to provide direction and feedback on Complete Streets Safety Committee (CSSC)'s recommended three phase plan, consisting of; 1) a campaign to encourage residents to create space in garages or otherwise find ways to move cars off of the street, 2) resume sweeping streets in Central Brisbane in an alternating pattern on some regular frequency, including the ticketing of violators, which would serve to discourage excess vehicle storage on residential streets, and finally, if appropriate, 3) bring a vote to residents to implement a parking permit program in Central Brisbane.

After Council questions, and no public comment, CM Davis suggested a pilot parking permit program on one street.

Barbara Ebel commented that she will be happy to volunteer for the pilot program.

After more council questions, Michele Salmon suggested alternatives to extreme street cleaning measures.

After further discussion, Council directed staff to work with the Complete Streets Safety Committee to look at other Cities' parking programs, pilot street sweeping programs, parking permit programs, community education efforts, and a better campaign for reporting long term non-operational cars in the City. Council added that this is the top of the prioritization list and staff should return in six months to provide Council an update.
