Subject: Water aerobics fee increase

All,

I'm disappointed & concerned to hear the fee for water aerobics class may increase. I am 68 years old & on a fixed income. This class not only provides positive health benefits to me but the interaction with others is essential to my wellbeing as I live alone & lost my husband recently. I'm so grateful our community has this pool & hope you may consider differently. A few dollars each class impacts me.

Thank you.
