Subject: Water Aerobics

I am writing this letter to inform you that you have a a very competent, friendly and efficient staff at the Brisbane Pool. From Jeff, now Sarah, to the lifeguards and, our amazing instructor Heidi , it is a pleasant interlude three times a week.

I am 83 years young and rely on water aerobics to help maintain my physical and mental health.

I do have a request though. Please add water aerobics to the main activities list. I use an iPad and when I finally get the search bar up on my screen, it often answers “ none found “.The classes are starting to fill and it often takes me 10 to 15 minutes every month to register.

Thank you.

Sincerely , Joanne Linn (a commuter to your beautiful city from San Francisco)
