Subject: Brisbane Community Pool

Hello,

I am writing regarding the proposed increase for the pool. I am a senior and attend the 3x weekly water aerobics classes conducted by Heidi.

I enjoy the classes - am on a limited income - and hoping that there will not be an increase so I can continue.

I also go to Balboa Pool in SF for water aerobics - their senior fee is \$8 and the class is one hour (vs. Brisbane which is 50 minutes) at \$10 or \$11 for non-Brisbane resident).

Hoping that you will keep the cost the same - thank you for your consideration.
