

WOMEN'S HISTORY MONTH

For Adults

# HerStory Meets YourStory

## Poster Workshop

This workshop offers a unique blend of historical exploration and personal expression. Participants will be guided through the creation of a poster divided into two halves:

### HerStory

One side will represent a specific woman in history, utilizing vibrant colors and artistic elements.

### YourStory

The other half will be dedicated to the participant's personal journey, allowing them to artistically and textually bridge the gap between historical inspiration and their own story.
