7-Day Notice from Owner to City: For Severe Tree Trimming or Removal of Non-protected Mature Tree

Applicability: Brisbane Municipal Code Section 12.12.050.A allows that following submittal of a 7 calendar day notice to the Community Development Department (CDD), any species of tree may be severely trimmed (as long as the trimming would not result in the death of the tree) and certain tree species may be removed. This form serves as that required notice. A date stamp from the CDD on this form is required for the notice to be considered effective. Approval will be implicit after 7 days, unless the City contacts the owner or owner's agent listed on this form within the 7 day time period to indicate that the severe trimming or removal may not proceed. For information on trees subject to noticing only and standard conditions, please see pages 3 and 4 of this handout. Note that the CDD will require access to view the tree for verification of the information provided herein. Also, failure to provide adequate or correct contact information will invalidate this notice.

This form may only be used for trees meeting the criteria provided in the BMC Chapter 12.12. It shall not be used for trees located in the public right-of-way, or on any property owned by others who are not listed and signed on to this form.
