I hereby affirm that I am exempt from the Contractor's License Law (C.L.L.) for the following reason (Sec. 7031.5, B. & P.C.). Any City which requires a permit to construct, alter, improve, demolish, or repair any structure, prior to its issuance, also requires the applicant for such permit to file a signed statement that he/she is licensed pursuant to the provisions of the C.L.L. (Chapter 9 commencing with Section 7000 of Division 3, B. & P.C.) or that he/she is exempt therefrom and the basis for the alleged exemption. Any violation of Section 7031.5 by any applicant for a permit subjects the applicant to a civil penalty of not more than five hundred dollars (\$500).
I, as owner of the property or my employees with wages as their sole compensation, will do the work, and the structure is not intended or offered for sale (Sec 7044 B. & P.C.). The C.L.L. does not apply to an owner of property who builds or improves hereon, and who does such work himself or through his own employees, provided that such improvements are not intended or offered for sale. If, however, the building or improvement is sold within one year of completion, the owner-builder will have the burden of proving that he did not build or improve for the purpose of sale.
I, as owner of the property, am exclusively contracting with licensed contractors to construct the project (Sec 7044 B. & P.C.). The C.L.L. does not apply to an owner of property who build or improves thereon, and who contracts for such projects with a contractor(s) licensed pursuant to the C.L.L. All such contractors must obtain a City Business License prior to beginning work.
I am exempt under Sec. B. & P.C. for this reason:
