

Complete Streets Safety Committee

Draft 2024 Work Plan

1. Review parking issues in Central Brisbane and develop recommendations.
2. Investigation of potential for one-way streets - Mariposa and Monterey between Visitacion and Solano. (referred by Director of Public Works)
3. Emergency vehicle access on all city streets for fire safety. (referred by Director of Public Works)
4. Study pedestrian path on west side of Bayshore Blvd. from San Bruno Ave to Old County Rd.

Items CSSC is requesting for Council and staff review:

5. Speeding along San Bruno Avenue between San Francisco Avenue and Thomas Avenue.
6. Speeding, traffic calming measures, and general traffic issues City-wide (Review SB43).
7. Improving bike lanes and initiatives encouraging bicycling
8. Transportation plan for Sierra Point, including
 - Shuttle Bus services
 - Parking considerations
 - Other forms of transportation
9. Receive and comment on Baylands transportation circulation plans or other proposals referred by Director of Public Works or City Manager
10. Review “5-points” intersection in Central Brisbane, particularly driver-confusion and general safety at the intersection.
11. Investigate possible improvements to parking and the impact of Bayshore Blvd. on the general conditions at the mobile home park.
