December 24 (Christmas Eve)
December 25 (Christmas Day)
December 31 (New Year's Eve)

General employees assigned to the Public Works Department crew are eligible for an additional 16 hours paid holiday time (floating holidays) for personal use. Floating holidays are accumulated annually and may not be carried over into subsequent calendar years.

Probationary employees on the Public Works crew are not eligible for floating holidays during the first six months of employment. During the remainder of the 12-month probationary period, probationary employees are eligible for floating holidays on a pro rata basis based on the number of months remaining in the 12-month probationary period.

- C. The City shall observe the following holidays for General Employees who are assigned to the Marina Department as follows:

January 1
Thanksgiving
Christmas Eve Day
December 25

New Year's Eve Day

Marina employees will take not take holidays that occur on days on which they are regularly scheduled to work. Such holidays will be made available to the employee as floating holidays. In addition to the existing 16 hours of floating holidays for non-probationary employees, employees assigned to Marina duties shall be given an additional nine (9) paid holidays (floating holidays) in lieu of the nine (9) unobserved holidays. These additional floating holidays will be awarded after the holiday and shall be taken before the end of the calendar year. This additional paid floating holiday time may not be accumulated or carried over into subsequent calendar years. Floating holidays awarded in lieu of December holidays will be awarded in January of the following calendar year.

- D. The City shall observe the following holidays for General Employees who are assigned to Recreation duties as follows:

For any holiday that is observed by both the City and the Brisbane School District, the employees assigned to Recreation duties shall observe the holiday on the same day as the school district, rather than on the day observed by the other employees in this group. The total number of holiday hours remains unchanged.

- E. Observance of Holidays

A City holiday shall also be observed on any day proclaimed by the President, Governor or Mayor of the City as a public holiday.

Where any of the aforementioned holidays falls on a Sunday, the following Monday shall be observed as the holiday. Where the holiday falls on a Saturday, the preceding Friday shall be observed as the holiday. Where Christmas Eve or New Year's Eve falls on a Saturday or Sunday, the preceding Friday shall be observed as the holiday.

When a City holiday falls on an employee's regularly scheduled day off which is other than Saturday or Sunday, another day off shall be granted.

ARTICLE 19. ATTENDANCE

Employees shall be in attendance at their work in accordance with rules and policies regarding hours of work, leaves and related conditions. Department heads shall be responsible for maintaining employee attendance records which shall be reported to the Personnel Officer in the form and at the times prescribed by him or her.

Except in extraordinary circumstances, an employee who is unable to report for work at the beginning of his or her established shift shall notify his or her immediate supervisor as soon as practicable, but at least within the hour before the commencement of such shift. Failure to provide this notification may result in the unreported period of absence for the first day being considered as leave without pay. An employee who is absent without notification for more than one work day shall be subject to disciplinary action, including discharge, pursuant to Rule 13 of these Regulations. The one-hour notification provision shall not preclude a department head, with

approval of the Personnel Officer, from requiring an earlier notification where it is warranted due to operational needs.

In order to insure employee availability for the protection of life and property and to otherwise serve the health, safety and welfare of the community, the appointing authority is authorized to establish reasonable response time for employees to report to work after call to duty under emergency conditions. This response time may vary by operating unit, the type of personnel involved and the type of emergency, but shall not serve to require employees to reside within City boundaries.

ARTICLE 20. SICK LEAVE

Employees covered by this agreement shall be provided paid sick leave as set forth below. Sick leave shall not be considered as a right which an employee may use at his/her discretion, but shall be allowed only in the case of actual sickness, injury, disability or medical condition that prevents the employee from performing the full scope of the usual and customary duties of his/her classification. An employee who is granted sick leave is expected to take the appropriate recuperative steps and/or follow physician recommended recuperative steps to assure a timely return to work.

The accrual and usage of sick leave shall be governed by the following provisions:

- A. Sick leave shall be earned at the rate of eight (8) hours for each calendar month of service.
- B. Through the term of the agreement, the maximum accrual amount shall be 1,840 hours. Employees separating from the City service shall not be entitled to any payment of unused, accrued sick leave.
- C. Employees shall not accrue sick leave during their first three (3) months of employment under original appointments, but shall receive credits for that period when three (3) months of service have been attained.
- D. In order to be entitled to sick leave, an employee who, because of illness or injury, is unable to report for work shall so notify his immediate supervisor within one hour from the commencement of the shift. A department head may require an earlier notification where it is warranted due to operational needs.

Failure to provide such notification without good reason may result in that day of absence being treated as a leave of absence without pay. The determination in this regard shall be made by the department head, subject to final approval by the appointing authority or designee. Where the period of absence due to illness or injury is not known at the outset, it shall be the responsibility of the employee to remain in contact with his immediate supervisor, on a daily basis if deemed necessary by the supervisor.

Where the absence is, or expected to be, for more than two workdays, the employee may be required to file a physician's certificate. The certificate shall state that the employee is under treatment by a physician for a condition that prevents the employee from performing the usual and customary duties of the classification, the prognosis for return to work, the

date of return to work, and any limitations that exist upon the return to work. The certificate shall be filed with the Personnel Officer. When deemed appropriate, the City Manager or designee may require verification of the employee's doctor's certificate by a physician specified by the City.

In the event the employee's doctor's certificate and the opinion of the City's specified doctor's verification as to the employee's ability and/or scheduled time to return to work disagree, the employee may be required to report to the City's specified physician for an examination. The City will pay for all costs associated with this verification and/or examination. The City's specified doctor's determination shall be final and the employee shall return to work. Failure by the employee to report to the City's specified doctor or to return to work may result in the sick leave request being denied and the employee being placed on leave without pay and/or disciplinary action being taken up to and including termination.

The department head or designee may deny a sick leave request and place the employee on leave without pay based on reasonable evidence that the employee failed to follow appropriate and/or doctor specified recuperative steps.

The payment of sick leave may be suspended by the appointing authority where he/she has reasonable grounds to believe that absences on a given day or days are the result of a concerted action of the part of two or more employees which is related to a labor dispute with the City directly or one in which the City is involved as a third party.

- E. Where an illness or injury is job-related and covered by State Worker's Compensation, accrued sick leave or vacation credits may be applied to make up the difference between State benefits and full, base salary.
- F. An employee may use one-half of his/her annual accrual of sick leave to attend to the diagnosis, care, or treatment of an existing health condition or preventative care for a child, spouse, registered domestic partner, parent (including biological, adoptive, foster parent, stepparent or legal guardian of an employee or the employee's spouse or registered domestic partner, or a person who stood in loco parentis when the employee was a minor child), grandparent, grandchild, or sibling. The Personnel Officer may approve use of leave for this purpose for other than the family members defined above.
- G. The City will work with the Bargaining Group to participate in the State provided SDI program at no cost to the City.
- H. Accrued sick leave may, with department head approval, be used for medical and dental appointments of the employee where it is unfeasible to schedule them on the employee's own time.
- I. No accrued leave may be used for any injury or illness arising out of outside employment.

ARTICLE 21. BEREAVEMENT LEAVE

Up to five working days per occurrence may be granted by the department head to employees where there has been a death in the employee's immediate family. "Immediate family" shall be defined pursuant to state law. The Personnel Officer may approve use of leave for this purpose for other than the family members defined above. Extensions to such leaves due to unusual circumstances may be approved by the Personnel Officer.

ARTICLE 22. PERSONAL LEAVE

Employees may use up to one (1) day per year of sick leave per calendar year for personal leave. Personal leave shall be requested in advance and approved by the department head. Supervisory personnel cannot approve personal leave. When the department head is unavailable to consider a Personal Leave request, supervisory personnel may approve the leave request as vacation or Compensatory Time Off. The department head, upon his/her return, will review the employee's Personal Leave request and may grant the request as personal leave rather than vacation or Compensatory Time Off. The requested leave time must be for personal business or for a purpose that cannot be conducted on the employee's own time off. The requested time off shall be limited to the essential and actual time needed to complete the business or purpose upon which the requested leave is made (including travel time to and from work).

ARTICLE 23. MILITARY LEAVE

Military leave shall be granted in accordance with the provisions of the State Military and Veterans Code. An employee requesting leave for this purpose shall provide the department head with a copy of the military orders specifying the dates, site and purpose of the activity or mission. Within the limits of such orders, the department head may determine when the leave is to be taken and may modify the employee's work schedule to accommodate the request for leave.

ARTICLE 24. JURY DUTY

An employee who is called to serve as a juror shall be entitled to leave during the period of such service or while necessarily being present in court as the result of such a summons. Under these circumstances, the employee shall be paid his full salary for this period, provided the employee remits jury fees received to the City. Such fees shall not include mileage reimbursements or subsistence payments. In order to receive regular wages, the employee must provide the City with a copy of the summons and any documentation related to attendance.

An employee who is subpoenaed to appear in court in an official capacity as a City employee shall be allowed to do so without loss of compensation. An employee subpoenaed to appear in court in a matter unrelated to his official capacity as a City employee shall be permitted time off without pay. If the employee elects, accrued vacation or Compensatory Time Off may be used for this purpose.

ARTICLE 25. MATERNITY LEAVE

Maternity leaves of absence shall be granted in accordance with applicable provisions of Federal and State law.

ARTICLE 26. MEDICAL LEAVE

The appointing authority may place an employee on a medical leave of absence without pay where, in the appointing authority's judgment, that employee is incapacitated to perform the regular functions of his position. This type of leave may be used pending the employee's anticipated recovery or pending the outcome of a medical evaluation of the employee's physical or mental health as it relates to the performance of his work. Before an employee is placed on such leave status, the employee shall be permitted to utilize all accrued sick leave and vacation credits.

Under normal circumstances, no leave directed or granted under this rule shall exceed 90 days at which time the appointing authority may, under extraordinary circumstances, extend the leave for a definite period. Otherwise, the leave shall be terminated.

Nothing herein shall be construed as modifying the provisions of State Labor Code Section 4850 as they relate to public safety personnel.

ARTICLE 27. LONGEVITY RECOGNITION INCENTIVE

Employee employed on or before July 1, 2006 by the City of Brisbane and in the Association will be eligible for longevity recognition at 12 years of service.

Employees entering into the Association after July 1, 2006 will be eligible for longevity recognition at 15 years of service.

In recognition of the years of service with the City of Brisbane as noted above, the City grants to such a qualified employee each year forty (40) hours of time off with pay. Such time off is to be taken during the employee's anniversary year, provided, that the employee schedules appropriate release time with the employee's supervisor and provided further that such time not taken may not be carried over nor paid out in cash.

In recognition of twenty (20) consecutive years of service with the City, the City grants to such qualified employee a 3.0% (three percent) incentive effective the first full payroll period after January 1, 2023. The incentive increase shall be given to any employee who has twenty (20) years of consecutive service as of January 1, 2023.

ARTICLE 28. MANDATORY ADMINISTRATIVE LEAVE

The appointing authority may place an employee in the Classified Service on administrative leave where, in his judgment, such action would be in the best interests of the City service. This leave may be with or without pay. Its application may include, but not be limited to, situations where disciplinary matters are pending.

ARTICLE 29. OTHER LEAVES WITHOUT PAY

The appointing authority may grant an employee a leave of absence without pay for a definite period not to exceed three months. Department heads may grant such leaves not to exceed five working days.

The request for leave, and the reasons therefore, shall be submitted in writing by the employee and must be approved in advance by the appointing authority or the department head, as appropriate.

On expiration of the approved leave, the employee shall be reinstated to his former position or to a comparable one if the former position is abolished during the period of leave and the employee otherwise would not have been laid off. Based upon unforeseeable changes in operating requirements, the appointing authority may recall the employee from leave prior to its expiration.

Failure on the part of an employee to return to work on the date originally scheduled or subsequently modified shall be considered as a resignation.

ARTICLE 30. LEAVES OF ABSENCE WITHOUT PAY: AFFECT ON SENIORITY AND BENEFITS

Except as provided under State law for employees on military leaves of absence, employees on leaves of absence without pay shall not, after the first 30 days of such leave, accrue service or leave credits, nor shall the City be required to maintain contributions toward group insurance coverages, except as provided under the Federal Family Medical Leave Act. During the period of such leaves, all service and leave credits shall be retained at the levels existing as of the effective date of the leave.

ARTICLE 31. UNIFORM SUPPLY AND MAINTENANCE

Uniforms and safety equipment shall be supplied by the City when necessary. Issued uniforms and equipment shall be maintained and replaced as determined by Department Head.

The policy and procedures covering repair or replacement of employee-owned personal property that is lost or damaged while on the job is set forth in the Administrative Manual.

ARTICLE 32. LAYOFF PROCEDURE

City Personnel Rules and Regulations.

ARTICLE 33. DEMOTIONS

City Personnel Rules and Regulations.

ARTICLE 34. TRANSFER

City Personnel Rules and Regulations.

ARTICLE 35. PROMOTIONS

City Rules and Regulations.

ARTICLE 36. TRAINING

The Association and City will develop a Training Committee with membership from each department, Department Heads, and the Personnel Officer. Such committee shall meet the first

quarter of each year and present a recommendation to the City Manager for annual training programs by April 1st of each year. Such training programs may include lecture course, demonstrations, field training, computer training courses, and additions to the City library or such other resources as may become available for the purpose of improving the effectiveness and broadening the knowledge and ability of City employees in the performance of their duties.

In developing promotional opportunities, participation in and successful completion of training courses will be considered in advancement and promotion. Evidence of enrollment and completion of training shall be filed by the employee with the Department Head and placed permanently in the personnel file of the employee.

ARTICLE 37. PROBATIONARY PERIOD AND PERFORMANCE RATINGS

The probationary period shall be regarded as part of the testing process and shall be utilized for closely observing the employee's work, for securing the most effective adjustment of the employee to the new position, and for rejecting any probationary employee whose performance does not meet the required standards of work.

All original appointees to positions in classifications covered by this agreement shall serve a probationary period of twelve (12) months. Promotional appointees shall serve a probationary period of not less than six (6) months, nor more than twelve (12) months.

Where the probationer loses time from the job, whether paid or unpaid, in sufficient amounts as to detract from the stated objectives of City's Rule 11.01, the appointing authority may extend the period of probation beyond the limits contained in the preceding paragraph. This extension may not exceed the aggregate amount of lost time which caused the extension. The probationer shall be so advised prior to the effective date of the extension.

It shall be the duty of each department head and immediate supervisor to investigate carefully the probationer's adjustment and performance to determine whether or not the probationer is qualified for permanent status. The department head shall submit to the Personnel Officer an evaluation of the probationer's performance at time specified by the Officer, but no less than twice during the employee's probationary period.

The final probationary report on each probationer shall include, and earlier reports may include, the department head's recommendation regarding retention.

During the probationary period, an appointee may be rejected at any time by the appointing authority without cause and without right of appeal. Notice of rejection shall be served in writing on the probationer.

An employee rejected during the probationary period from a position in the Classified Service to which he has been promoted shall be reinstated to a position in the class from which he was promoted unless the rejection results in dismissal from the City service. Where rejection results in dismissal, the employee shall have the right to appeal such action in accordance with Rule 14 and shall be furnished advance notice pursuant to Rule 13.02.

Performance reports shall be completed at least annually for all personnel having permanent status in positions in the Classified Service. Such reports may be required more frequently by the Personnel Officer.

ARTICLE 38. DISCIPLINARY PROCEDURE

The appointing authority may take disciplinary action against an employee in the Classified Service for misconduct including, but not limited to: chronic absenteeism; incompetence; insubordination; failure to follow work rules; misstatement of fact on an application or other personnel document; falsification of records; unfitness for duty; and absence without authorized leave.

The disciplinary action(s) taken may include suspension, pay reduction, demotion, discharge, or any combination of these or other appropriate penalties.

All discipline action taken against an employee in the Classified Service must receive the prior approval of the appointing authority except under emergency circumstances which dictate immediate suspension of the employee by the department head or supervisor. In such cases, the employee's department head shall immediately report the action taken to the appointing authority who shall review the case and make a determination concerning the appropriateness of the suspension and of further disciplinary action.

All actions resulting in salary reductions or demotions shall be subject to review by the appointing authority and the department head involved within thirty (30) days following the effective date of the initial action and at regular intervals thereafter.

Employees shall have the right to appeal disciplinary actions pursuant to the applicable provisions of Article 36 set forth below. (See Step 4)

ARTICLE 39. GRIEVANCE PROCEDURE

A grievance is defined as any dispute involving the interpretation, application, or alleged violations of:

1. A current Memorandum of Understanding between the City and a recognized employee organization.
2. The City's Personnel Ordinance and City's Rules where the provision in dispute is within the scope of representation.

Should any dispute concern an agreement, rule, or action which prescribes a separate appeal procedure, that dispute shall be excluded from the procedure.

- STEP 1 An employee who has a grievance shall bring it to the attention of his immediate supervisor within five (5) working days of the occurrence of the act which is the basis for the dispute. Where the grievance concerns a matter of proper compensation or a matter which could not reasonably be discovered by the employee within five (5) working days of its occurrence, the grievance on such a matter shall be raised within twenty (20) working

days of the occurrence. If the employee and the immediate supervisor are unable to resolve the grievance within five (5) working days of the date it is raised with the immediate supervisor, the employee shall have the right to submit a formal grievance which shall contain the information set forth below.

1. The name of the grievant.
2. The grievant's department and specific work site.
3. The name of the grievant's immediate supervisor.
4. A statement of the nature of the grievance including date and place of occurrence.
5. The specific provision, policy, or procedure alleged to have been violated.
6. The remedy sought by the grievant.
7. The name of the individual or organization, if any, designated by the grievant to represent him in the processing of the grievance. However, in no event shall an employee organization other than the one which formally represents the position occupied by the grievant be designated as the grievant's representative.

Formal grievances shall be processed beginning with Step 2 of this procedure.

STEP 2 An employee dissatisfied with the decision of the immediate supervisor in Step 1 may submit the grievance to his department head within seven (7) working days from the date of the immediate supervisor's decision. The department head shall respond to the grievance in writing within seven (7) working days from the date of its receipt.

STEP 3 If the employee is dissatisfied with the decision of the department head in Step 2, he may submit the grievance to the appointing authority within ten (10) working days from receipt of the department head's response. The appointing authority, or his designated representative, shall respond to the grievance in writing within ten (10) working days of its receipt. Within this period the appointing authority, at his discretion, may conduct an informal hearing involving the parties to the dispute.

STEP 4 For any disciplinary suspensions, disciplinary demotions or disciplinary terminations and for no other action(s), an employee who is dissatisfied with the decision of the appointing authority in Step 3 may submit the grievance to arbitration within ten (10) working days from receipt of the appointing authority's decision.

The City and the Association shall meet promptly to select a mutually acceptable arbitrator. The fees and expenses of the arbitrator and a court reporter shall be the responsibility of the City, except in cases where allegations are of criminal misconduct, dereliction of duty, abandonment of position of gross negligence or moral turpitude. Each party, however, shall bear the cost of its own

presentation, including preparation and post hearing briefs, if any. Decision of arbitrators on matters properly set before them shall be final and binding on the parties hereto.

ARTICLE 40. OUTSIDE EMPLOYMENT

Employees shall not carry on, concurrently with their public employment, any other employment, business or undertaking which conflicts or interferes with their City employment.

Outside employment shall not be undertaken by full-time employees in the Classified Service unless the department head and the appointing authority first approve the employment and determine that it will not adversely affect the employee's quality of work or availability for City service.

Under no circumstances shall an employee be authorized to perform any function related to outside employment or activities during scheduled working hours.

ARTICLE 41. USE OF CITY FACILITIES

Upon reasonable, advance notice, the Municipal Employee Relations Officer may authorize the use of appropriate City facilities by recognized employee organizations for meetings involving City employees they represent. Such meetings shall not conflict with the conduct of normal City business nor be held during on-duty time of the City personnel concerned.

Exceptions to the aforementioned on-duty policy may be granted by the Municipal Employee Relations Officer where it is clearly necessary for a represented employee to confer with his employee representative on a matter concerning employee relations and the City. The time devoted to such meetings shall be kept to a minimum, and the employee representative shall notify the responsible supervisor or manager when arriving at and leaving the work site. Employees shall be permitted to schedule two one-hour meetings for the negotiation team and two one-hour meetings with all bargaining unit employees to be held on City premises to discuss labor relations issues. However, in no event shall the City pay overtime for any of said meetings. Prior to scheduling the meeting, permission shall be obtained from the department head responsible for the facility in which the meeting is to be held.

Except as provided above, employee representatives shall not have access to City premises for the conduct of union or association business.

Upon request, the Municipal Employee Relations Officer shall also provide a reasonable amount of space at appropriate City facilities for posting of material by recognized employee organizations. This material shall be subject to review by the Officer prior to posting. Space allotted for this purpose shall be withdrawn should any posted material contain inflammatory or other objectionable content.

ARTICLE 42. PROHIBITED ACTIVITIES

No employee organization shall encourage participation in, nor shall any employee participate in any strike, picketing, slow down, sick-out, or any other form of concerted activity against the City during the term of this agreement; nor shall any employee recognize any picket line in the course

of his duty, nor in any way be involved in the reduction or denial of City service to any premises because of a labor dispute. (Any employee who violates any portion of this section is subject to disciplinary action.)

ARTICLE 43. WAIVER PROVISION ON BARGAINING DURING TERM OF AGREEMENT

Except as specifically provided for in this Agreement or by mutual agreement in writing during the term of this Agreement, the Association and the City hereby agree not to seek to negotiate or bargain with respect to any matters pertaining to rates, wages, hours, and terms and conditions of employment covered by this Memorandum of Understanding or in negotiations leading thereto, and irrespective of whether or not matters were discussed or were even within the contemplation of any parties hereto during negotiations leading to this Agreement, and any rights in that respect are hereby expressly waived during the term of this Agreement.

During the term of this agreement, the Association may, upon action by its Executive Board, request in writing to reopen and meet and confer regarding working conditions. This reopener shall not apply to salary, insurance, or any other monetary item(s), nor shall it apply to specific individual problems, which shall be handled under the grievance procedure.

ARTICLE 44. EMERGENCY WAIVER PROVISIONS

In the event of circumstances beyond the control of the City, such as acts of God, fire, flood, insurrection, civil disorder, national emergency, or similar circumstances, the provisions of this Memorandum of Understanding which restrict the City's ability to respond to these emergencies shall be suspended for the duration of such emergency. After the emergency is over, the Association shall have the right to meet with the City regarding their impact on employees of the suspension of these provisions in this Memorandum of Understanding.

ARTICLE 45. SEVERABILITY PROVISION

Should any article, section, subsection, subdivision, sentence, clause, phrase, or provision of this Memorandum of Understanding be found to be inoperative, void, or invalid by a court of competent jurisdiction, all other provisions of this Memorandum of Understanding shall remain in full force and effect for the duration of this Memorandum of Understanding.

ARTICLE 46. PAST PRACTICES

Continuance of working conditions and practices not specifically provided herein shall not be guaranteed by this Memorandum of Understanding. The City shall not be relieved of its obligation to meet and confer with the Association regarding changes in working conditions and practices where otherwise required by law.

The City's Personnel Rules and Regulations shall remain in full force and effect unless contraindicated by a specific provision of this Memorandum of Understanding.

ARTICLE 47. TERM OF THE MEMORANDUM OF UNDERSTANDING

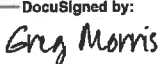

The term of this Memorandum of Understanding shall commence on July 1, 2022, and terminate after June 30, 2026.

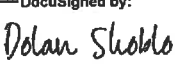

RATIFICATION AND EXECUTION

The City and the General Employees Association have reached an understanding as to certain recommendations to be made to the City Council for the City of Brisbane and have agreed that the parties hereto will jointly urge the Council to adopt a resolution which will provide for the changes contained in said joint recommendation. The City and the General Employees Association acknowledge that this agreement shall not be in full force and effect until adopted by the City Council of the City of Brisbane. If the foregoing is in accordance with your understanding, please so indicate by signing below.
