Back to School.....Already?!

Back to school, carrying those books, and again receiving those teacher's dirty looks! Needless to say, I know my kids are grumbling with the thought of school starting again. But by the time this newsletter goes out, they will have respectively started their junior and senior years of high school...undoubtedly some of the best years of school for a lot of kids. I have to admit though, with them going back to school (actually on campus this fall), it will be nice to see them on a bit more of a routine schedule, more so than sitting in pajamas at the kitchen table on a tablet (or maybe I was a bit jealous of that last part?!). However, it still remains to be seen how the school is going to handle the in-person teaching again. Between the constantly fluctuating rules for COVID, the school's guidelines and requirements for students to be on campus, and keeping it productive for the kids—it'll be interesting to say the least; I guess only time will tell. And for those of you dealing with the same scenario with your kids, I wish you all the best (and a ton of patience)!

Of course, here comes another curve ball with COVID and the Delta variant, circulating through San Mateo and numerous other counties. A new health order has gone into effect, and states everyone, regardless of vaccination status, must wear masks again within any public accessible office or establishment, effective August 3, 2021. To read this order in full, along with their additional background information, please visit the San Mateo County Health website at: <https://www.smchealth.org/health-officer-updates/8221-ho-order-c19-12-face-covering>

Swaying over to the nuts and bolts of the marina and other items:

- ◆ Update to last month: An amendment was made to the Slip License Agreement regarding dock steps (section 11.c), and was emailed out on July 21, and posted on the gates of each dock. Please take a moment to review the amendment. If you are needing to replace your current homemade step with a commercially made one, and have a question of whether the new one you are looking at will comply, you may email us with the specs for review to: harbormaster@brisbaneca.org
- ◆ Parking lots: Your vehicles may be parked here during the time you are coming out to use your boat. Vehicles are not to be stored here. Vehicles are subject at all times to current DMV regulations required to be on the road, and may be enforced by Brisbane PD.
- ◆ Friendly reminder: There is to be no storage of any items, such as dinghies, BBQ's, boxes, bicycles, jerry jugs, etc. on the dock or dock fingers. Please help us keep our docks clean and safe for all to enjoy.

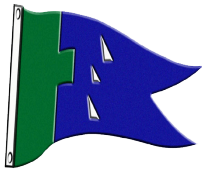

Lastly, we are still looking for pictures of your outdoor adventures aboard your boat. Whether they are from the Bay, Delta, or along the coast, we would like to share them in our future newsletters with your fellow boaters (photo credits given). If you have a photo you would like to share, please email us at: harbormaster@brisbaneca.org. Additionally, if you have something you would like to sell or trade with another boater, please look at submitting your item(s) for our Swap Meet section (page 3 for more details).

Until the next time, hoist the sails, trim the sheets and hold on!
Andrew Rehberg - Harbormaster

Sierra Point Yacht Club

400 Sierra Point Pkwy Brisbane CA

Dylan Garrett, Commodore

SPYC:

Sierra Point Yacht Club continues to have racing every Tuesday evening at 6pm with a BBQ after. We welcome anyone who wants to come join the races. New San Mateo Covid Regulations mandate that people wear masks while inside the club unless you are sitting down with food or drink.

We recently had our first monthly dinner last month in over a year. We are going to try and keep the monthly dinners going but it is uncertain with these new restrictions. We will have the most recent updates on our website @ SierraPointYC.org.

Stay safe,

Dylan Garrett

SWAP MEET

To place an ad, please submit the following:

- ◆ Provide a brief description (no more than 30 words), an image of the item, and a valid email and/or phone number. All listings must be submitted to harbormaster's office by the 20th of each month, and will be posted in the following months newsletter for a period of one (1) month (unless renewing ad is requested).
