Tack!

The wind continues, however a bit fickle and sparse lately with the Summer months finally giving us some warmer temps lately (of course it's blowing and cool as I write this—go figure). Nonetheless, the sailors from SPYC are still giving it their all and getting their fix of sailing and racing with whatever breeze is available during the Tuesday night race series! Here's a photo taken recently by *Lee Panza* on one of the race nights with boats getting ready to round the mark—STARBOARD! And hopefully by the time this newsletter hits the press, I will have had the opportunity to crew aboard one of the sailing vessels on race night as well—I'll report back on how that goes and where you can possibly sign up for crewing, too. And if crewing aboard isn't your shtick, there are many opportunities to watch the races from shoreside each Tuesday evening during race season (last race on August 29). Boats start heading out of the marina around 5pm to get out on the water, prep and see what course their going to be racing that evening. Come on and check it out!

Falling off the wind onto another course, I would like to take this opportunity to introduce our newest team member, Jerome Strain. He is joining us as part of our Maintenance team. A little about Jerome includes him being the 3rd generation San Franciscan and youngest of 9 kids, a husband and father to 3-two legged kids and 2-four legged furies. He started off in boats as a young skipper in the Sea Scouts and continued his love of boats and repairing them while being a live aboard for a couple years and having worked at SF Boatworks and Drake Marine. In addition to boats, he loves cars, baking and BBQ'ing. He also

brings to the table construction experience and a great personality that will surely make you feel welcomed. Take a moment to introduce yourself if you see him around the marina!

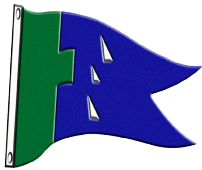

Last, but certainly not least, mark your calendars for Saturday September 23 and come join Sierra Point Yacht Club on their Second Annual Regatta Day! Food, music, drinks and plenty of other fun activities to be had by all. Stay tuned for more details coming up!

Until next time, Happy Boating ~ Harbormaster Rehberg

Sierra Point Yacht Club

400 Sierra Point Pkwy Brisbane CA

Martin Tali, Commodore

~ SPYC ~

Greetings Marina Neighbors!

Sierra Point Yacht Club will be open Sunday for breakfast on August 6th, 9-11AM. Come and enjoy the best breakfast in town! Members pay \$10 and non-members \$15. No registration is necessary.

We will have our annual Treasure Island race on Saturday August 5th. The skipper orientation meeting will be at 10AM and the race will start at noon. Please check the racing page on our website for instructions on how to sign up. The regular Tuesday night racing will have its last race on August 29th and the racing awards dinner will be on September 9th.

For other events, information about the club and how to join us, please visit our website at: <https://www.sierrapointyc.org>

Fair Winds,
Martin Tali - Commodore

SWAP MEET

To place an ad, please submit the following:

- ◆ Provide a brief description (no more than 30 words), an image of the item, and a valid email and/or phone number. All listings must be submitted to Harbormaster's office by the 20th of each month, and will be posted in the following month's newsletter.

Centek 2" water lift muffler for \$39 or best offer. Used but in great shape

Ian (206) 660-8980

Injectadeck structural foam- can be used for soft spots on deck. I have multiple cartridges, unused. I needed way less than I thought. If you need to borrow the application gun that's no problem.

Message if interested, open to offers. Or call (628) 261-4451
