### *Please Join Us In Welcoming...*

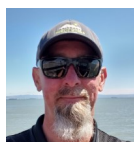

First and foremost, can I get a drumroll please?! It is with great pleasure that I get to introduce our newest team member, Mollie Brown. She will be taking on the roll of Administrative Assistant for the Marina starting September 12. We are very excited to have her as part of Brisbane Marina, and the City.

Hi, I'm Mollie! After having been away from California for the past 6 years by way of the Peace Corps and other adventures, I am happy to be back in the SF bay just a stone's throw away from my hometown of Monterey. When I'm not planning my next trip, I love taking my dog to the beach, meeting my friends for our weekly bocce game, and hosting Sunday dinners. I'm so excited to join the team and to begin my new role as Administrative Assistant at the beautiful Brisbane Marina. Come say hello!

Sliding over to other notable items, September presents additional activities that may grab your attention and interest:

- \* Coastal Clean Up Day is on **September 17**, and is being held here at the marina, near the fishing pier. This is a volunteer event to help clean up the marina shores and parking areas of any and all garbage. For more information on this event, or to sign-up to volunteer, please visit: <https://www.brisbaneca.org/community/page/coastal-cleanup-day-2022>, or take a look at our flyer on page 4.
- \* On **September 25**, SPYC is hosting a **Regatta Day** from 12pm to 5pm at 500 Sierra Point Pkwy. For more information, please see their flyer on page 3, or visit: [https://spyc.clubexpress.com/content.aspx?page\\_id=4001&club\\_id=292277](https://spyc.clubexpress.com/content.aspx?page_id=4001&club_id=292277)
- \* Just outside of September, on **October 1**, is the Annual Day in the Park and Brisbane Derby Race. From 8am to 3pm, there is surely something for everyone to enjoy at the Community Park. Check out our website for more info at: [www.brisbaneca.org](http://www.brisbaneca.org), and don't miss out on the fun!
- \* A correction to my previous newsletter regarding Marine Flare Disposal: SMC Household Hazardous Waste does not accept marine flares. While we do not have another solution at this time, when we do find a proper way to safely dispose of them, we will keep you posted.

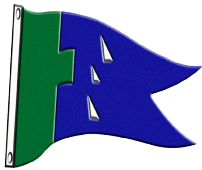

Until the next time, keep on boating on!
