THANK YOU SUPERVISOR CANEPA!

On November 14th at the County of San Mateo Board of Supervisors Meeting, Supervisor David Canepa delivered a strong presentation where he outlined our request for \$200k in Measure K funds (the half-cent general sales tax initially approved by San Mateo County voters in November 2012, and extended in November 2016 for a total of 30 years) and for it to be used towards the installation of electric heat pump water heaters which will replace the pool's current fossil fuel-powered boiler; the boiler is at the end of its useful life and is one of our largest mechanical users of fossil fuel. This project aligns with the City's Climate Action Plan and is based on a cooperative 2018 Zero Net Energy Study with the Bay Area Regional Energy Network (BayREN). Thank you to the Board of Supervisors for your unanimous vote on this one-time district-discretionary project, and we especially thank Supervisor Canepa for his steadfast leadership and support for the City of Brisbane.

Hosting A Holiday Feast?

Here are some helpful tips from SSF Scavenger to reduce holiday waste:

- If you enjoy sending traditional greeting cards, make sure they are made from recycled content and can be recycled again. Avoid cards and envelopes with glitter and foil.
- Avoid excess packaging by shopping for gifts and groceries locally. Be sure to bring your own reusable shopping bags.
- Give gifts that are durable or consumable. Stay clear of items that are sure to quickly end up in the landfill.
- Wrap gifts in something reusable. Avoid single-use gift wrap, bags, and ribbon—.
- If you are hosting a holiday meal, don't over-buy at the grocery store. Need help figuring out how much to buy? Use the dinner party calculator at SAVETHEFOOD.COM
- Set your holiday table with reusable linens, plates, cups and silverware. If you think there may be leftovers, ask guests to bring reusable containers to fill.

Adopt a Grandparent

NEW!

#smileBrisbane

For the Valentine's season, decorate a homemade puzzle and card for a special "adopted" grandparent. Your family can adopt a Brisbane grandparent and purchase a \$5 kit made up of (a DIY puzzle, homemade card supplies, and craft.) Families will drop off at our recreation office once completed and we deliver all the cards/puzzles. A stamped envelope will also be included in the kit. If the family decides they would like to continue this idea as a pen pal option they will place their own address on the envelope. Now the senior has the decision if they want to continue the pen pal relationship. If they do, they have the address and can write back with their address. Email Jeff Franco at jfranco@brisbaneca.org for more information.
